FIRST

The Class of 2002

When the class of 2002 entered the halls of Westside High School on August 10, 1998 they prepared themselves for many "firsts". During the next four years, these freshmen will experience numerous rites of passage. The students will attend Seminole sporting events, get behind the wheel, take the SAT, and even vote, all for the very first time. As they climb the ladder from freshmen to seniors, they too will "Celebrate the Century". As we enter the next millenium, no one knows what journeys await these high school rookies.

In the beginning

The beginning of a new school year always brings excitement. However, this year was unique. Students began classes on August 10 and ended the year on May 21.

Our school population boomed due to the addition of another class. School spirit roared in the sports rivalries of Central, Southwest, Southeast, and Northeast. Through it all, we proved that Seminole blood runs deep and true.

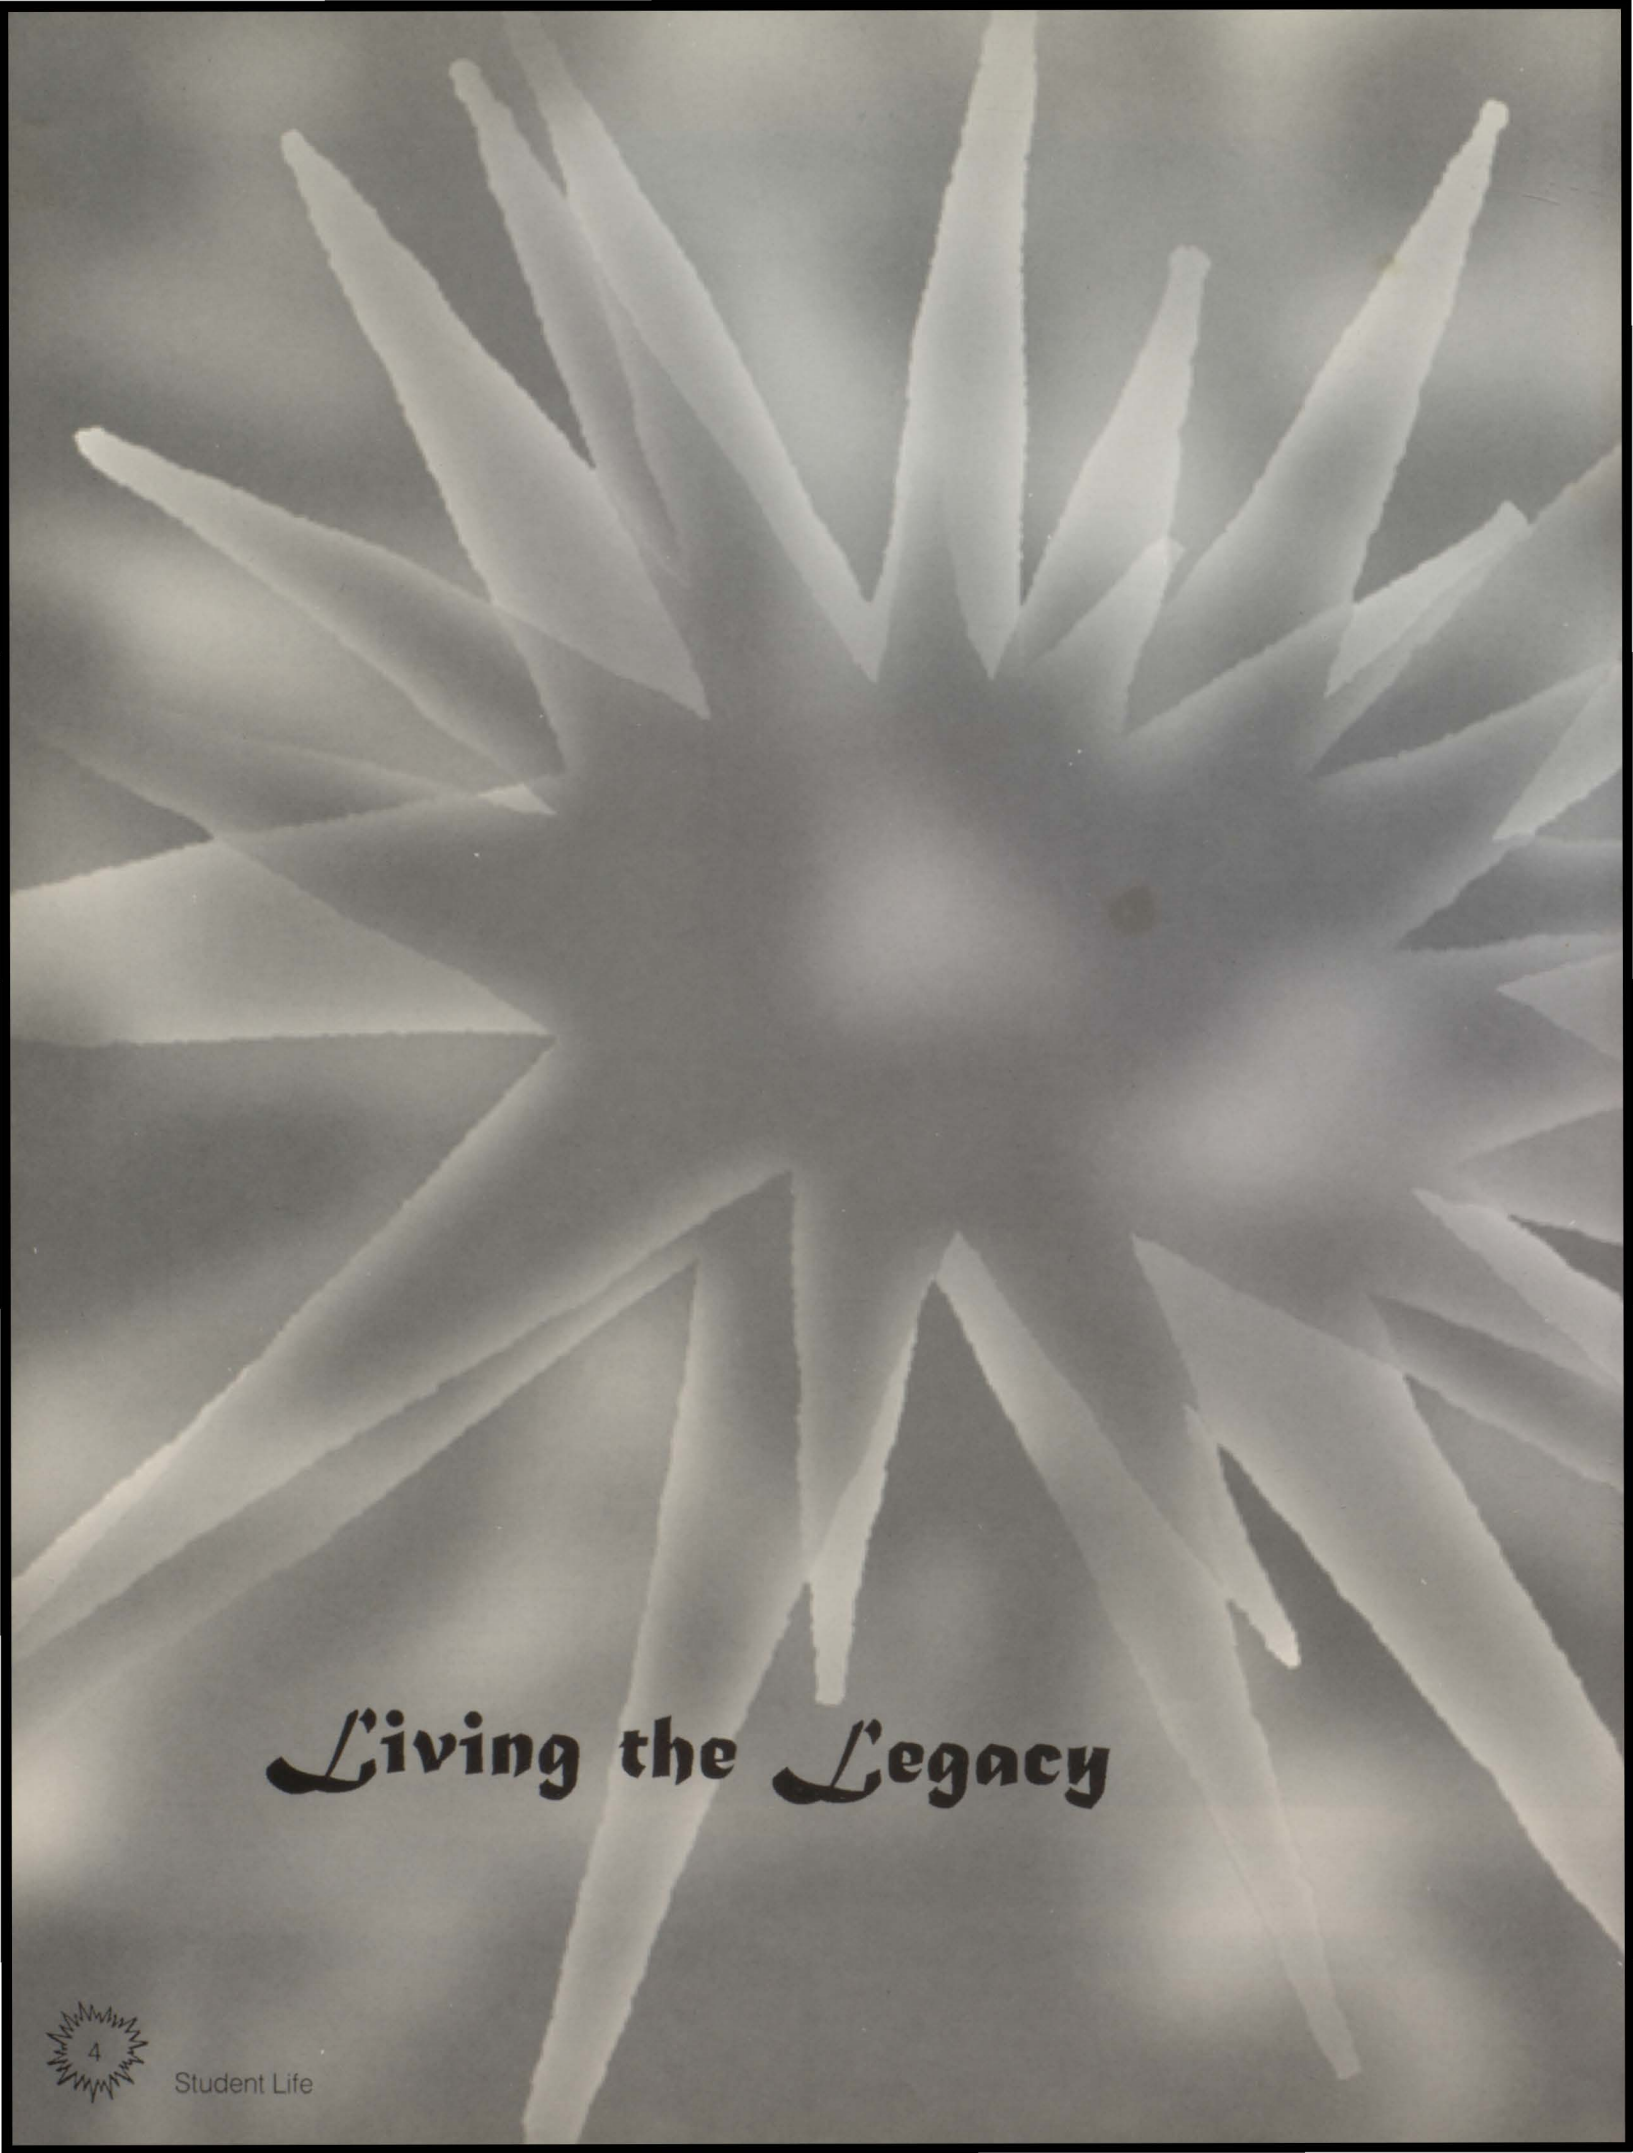

Go 'Noles!

READY TO GO
Tia Jackson and Quan Anderson show off their lovely senior smiles, as they begin the final year of their high school careers.

SENIORS

SENIOR SUPERLATIVES

Senior superlatives are students who are outstanding in every category. First, teachers nominate students whom they consider to be superlative. They must have a grade point average of 3.5 to qualify. Next, students are given a "points sheet" to have signed by their teachers and/or advisors. Points are given for club participation and holding offices, sports, community service, and awards. The eight boys and eight girls with the highest points are named "Senior Superlatives."

CHILDHOOD

Chris was special even during his childhood.

TALKING IN THE GYM

Sunday Solomon, Chris Solomon, and Gloria Chambliss enjoy talking to each other in the gym when they get a chance.

GETTO KNOW CHRIS

"When Chris first came back to Westside he was in a wheelchair. He had a difficult time getting into a desk. His mother said that they spent time during the summer at the track of Macon State College to strengthen his legs."

Mrs. Frank

"Chris is very cheerful. He has a wonderful sense of humor. He is always good about getting his work done because he is a hard worker. He wants to make the best of everything."

Ms. Kobek

"I remember Chris from Southwest; we always used to trip out in computer class, then we came to Westside. Although a lot has changed, Chris is still that sweet and crazy person I've always known."

Sunday Solomon

"I feel that Chris is a very strong and brave person. Through the hardships of recovering, he has remained determined and I hope the rest of his recovery will continue to be a success."

Melanie Hall

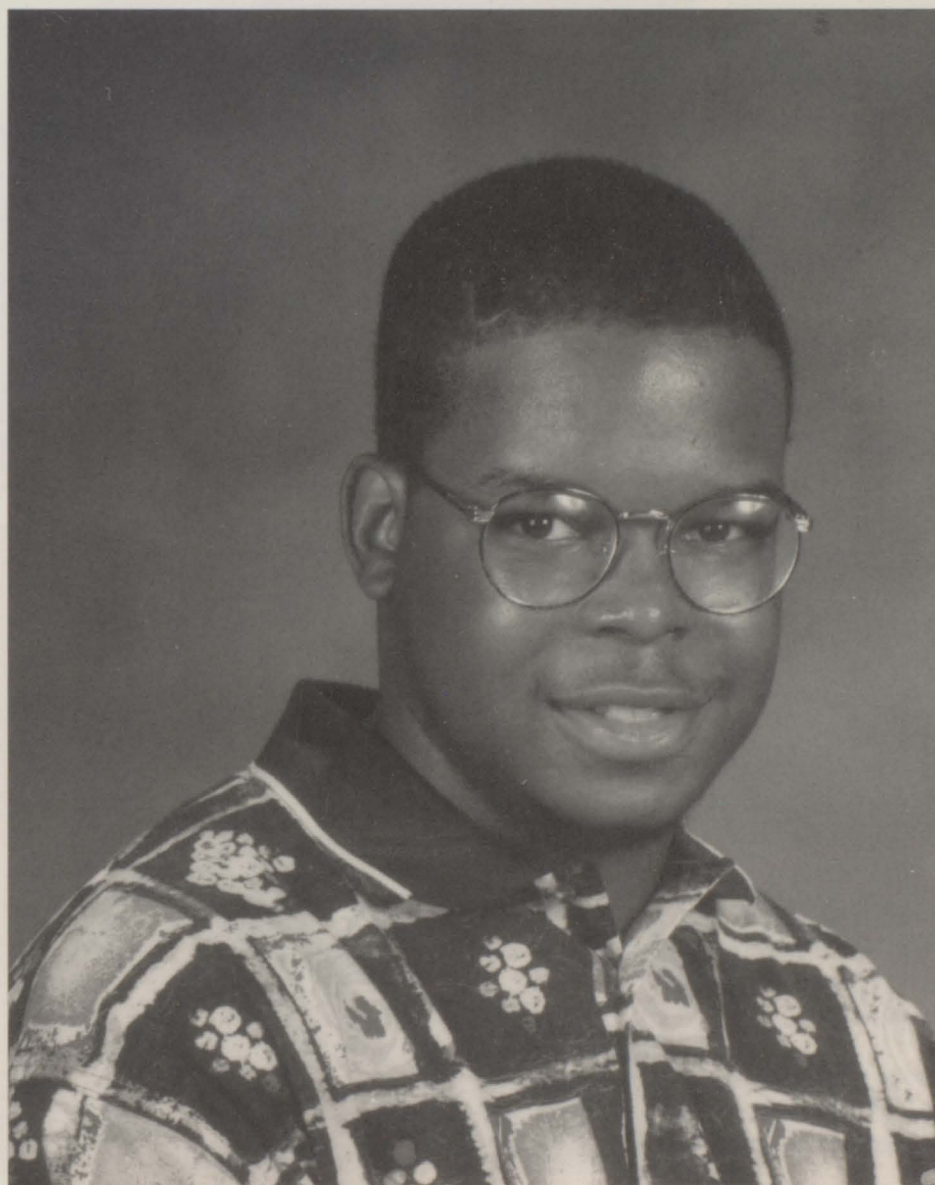

CHRIS SOLOMON

Chris has made a remarkable recovery since returning to school following a near fatal accident.

WESTSIDE WOMEN STAND OUT!

The Junior Miss Scholarship Program and the Cherry Blossom Pageant

Bibb County's Junior Miss - Allison Trotter

"I will never forget my Junior Miss experience. The week of the state program was probably the most fun I have ever had. It was a wonderful way to meet wonderful girls from across the state of Georgia, not to mention a terrific way to win scholarship money for school."--Allison Trotter

The competition was based on academics, interview, presence and composure, creative and performing arts, and fitness. Allison was awarded \$500.00 for superb presence and composure and representing the epitome of what the Junior Miss program is all about by receiving the "Spirit of Junior Miss" Award (voted on by the girls).

Cherry Blossom Princess - Holley Carswell

"At the end of every rainbow is a pot of gold. My family found its pot of gold right here in Macon where people of all ages, races, religions, and cultural backgrounds jointly share a little spot of heaven. As a fourth generation "Maconite" I would be sincerely honored and proud to serve as your ambassador and represent the southern values, cultures, and traditions that have characterized this great and very special city of Macon, Georgia. Allow me to introduce myself to you- my name is Holley Mellisa Carswell"---the speech Holley gave on a positive experience in her life.

GEORGIA'S JUNIOR MISS

All of the county winners stand on stage waiting to hear who will compete for America's Junior Miss next summer. Allison is third from the left on the bottom row. (All of the contestants were required to wear white formals.)

ALL EXCITED

The 1999 Cherry Blossom court excitedly smile on stage.

HOLLEY'S SUPPORTERS

Jared Cozart, Angela Ray and James Davis all congratulate Holley after receiving her crown. She was the second runner up to the queen.

ALLISON'S SUPPORTERS

Many of Allison's closest friends and family traveled to the Rialto Theatre in Atlanta to watch her perform on the first night.

ON STAGE

Here, Holley presents herself beautifully in pink as she stands with several other contestants.

GEORGIA'S JUNIOR MISSES

The majority of the girls pose for a quick picture backstage just before the 1999 Georgia's Junior Miss was named.

CLASS OF 1999

THE SENIOR RETREAT

On a cold and windy Friday morning the seniors left for Camp Martha Johnston for a field trip full of unexpected events. The day started off with a crazy visitor by the name of "Tina Turner" a.k.a. Dr. Baber. She livened up the morning and got a little too much of the Seniorole blood flowing. During the day, the seniors attended workshops preparing them for life after high school such as learning how to buy a car, career planning, ordering graduation announcements and a maintaining stress class. They joined together in an open field for sack lunches, volleyball, and football games. B 93.7 radio station supplied live music and the overall experience bonded the class together. This day will be a memory they all will look back on as a day in the life of a senior Seminole.

SLAM IT!

Brinceson Sanders slams one in their faces.

SOAK IT UP

Joy Mack, Ricke Williams, Starlett Brown, Latonya Bronner, Traenel Gray and Robbin Swayne soak up the sun's rays.

YOU DESERVE A BREAK

Cellina Russell, Kelly Wolfenbarger and Jesse Bowen take a break from lunch to smile for the camera.

PROUD MARY

Brandon Jackson stands in amazement as Dr. Baber sings "Proud Mary". The senior class was a little more than surprised with her singing talent.

BATTLING IT OUT

The seniors battle it out in a friendly game of volleyball.

HOT DOG!

Nora Opoku Fianko admires Drew Winter's dimples as she eats her nutritious hot dog.

Farewell

Farewell to the one with a heart of gold
 To the one who would give anything
 to help out another person in need
 To the one who cared more about everyone else than himself
 Farewell to the one who stuck up for the people
 who needed sticking up for
 To the one who was friends with everybody
 no matter who they were
 To the one who didn't like it when people were mean
 to the disabled people
 Farewell to the one who loved his family very much
 Farewell to the one who will always be in our hearts
 Farewell to the one who made a difference
 in everybody's lives
 Farewell to the one who died so young

Heather Marice Fordham

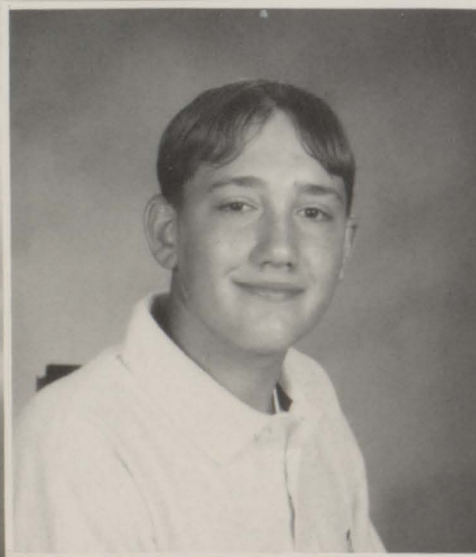

January 31, 1983 - March 11, 1998

*At the beginning and the end of each new day,
 I think of you.
 In the blowing of the wind and the chill of the air,
 I think of you.
 In the rustling of the leaves and the beauty of the Fall,
 I think of you.
 In the beginning of the Holiday Season and
 the approach of a new year,
 I think of you.
 When I am weary and in need of strength,
 I think of you.
 When I am lost and sick at heart,
 I think of you.
 When I have joys and sorrows I want to share,
 I think of you.
 So long as I live you to shall live,
 for you will always be a part of me.
 I love you forever Heather,
 and I long for the day we can be together again.
 Save me a place beside you in Heaven!*

TRACK ANYONE?

Track and Field performed very well in 1998.

Last year's track team was very enthused about running. The number of members was outstanding. Fortunately, everyone who tried out made the team. The dedication, desire, and love of the sport helped the Seminoles succeed.

Westside's opposing teams were the same AAAA schools that we competed against in basketball and football.

The boys' track team was full of individuals, but together they work well as a team. They had a very good year last year. In order to succeed they had to be in great shape. It takes a lot of hard work and dedication. Todd Davis said, "We had a lot of members and everybody did what they were

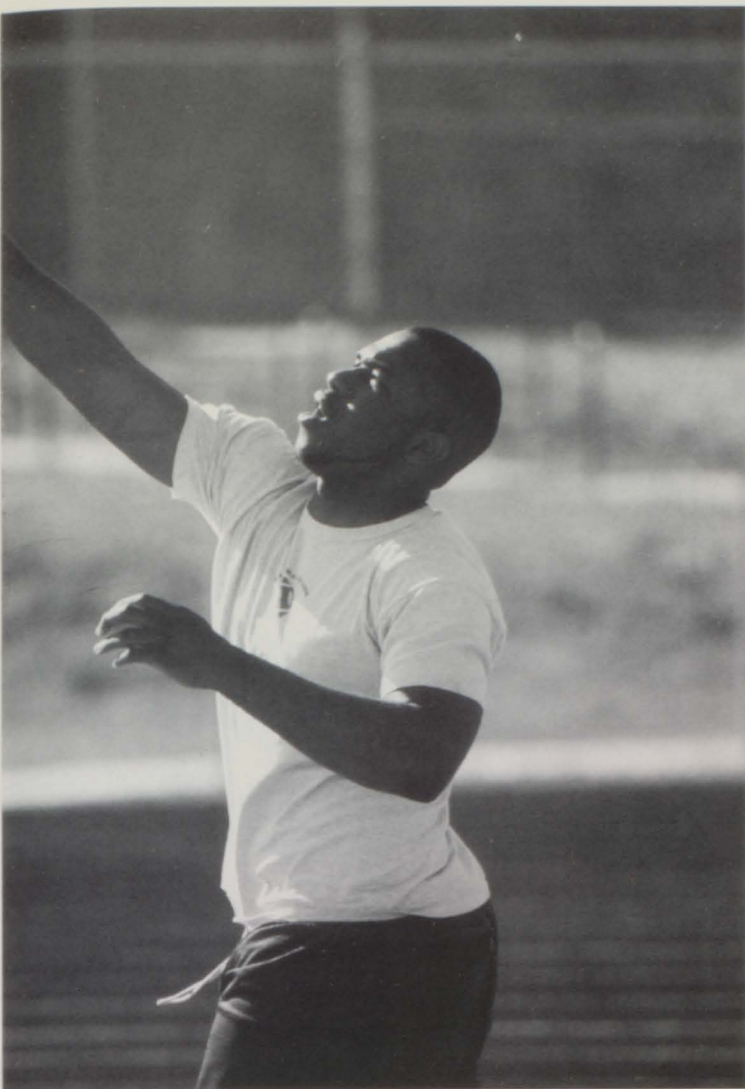

supposed to do."

There was obviously no playing around when it came time to put their "game faces" on. Coach Chance was a positive motivator and provided constant encouragement. Garan Coker said, "Traveling to different areas in the state was good, not only for competition, even though that was our main goal, but we also got to meet and socialize with different people." Even though the boys on the team were handling something new in track and field, they were getting a good feel of great sport at Westside High School, even if it was our first year. We look forward to even bigger and better next year.

IN THE DIRT

Todd Davis lands in the dirt for a steady finish in the long jump competition. He is a vital portion of the Seminole team.

HOW FAR WILL IT GO?

Arthur Jones' amazing strength was a key factor on the boy's track team in 1998. The shot put was his strongest event.

WHERE'S THE COACH?

Some of Westside's coaches gather information while awaiting the next event. Coach Chance and Coach Green intervene with the other coaches.

GIRL'S TRACK 1998

GIRL POWER IS THE BEST

The girls track and field team provided the same amount of fire power on the field as the boys. Their positive attitudes definitely boosted their performances.

Delarenta Chambers says that, "Track was very hard because you had to maintain a good, healthy diet and keep your focus while on the track."

Being in shape was a major part of running track for the girls, but most of them were already in shape due to previous sports played earlier in the year.

Tammy Jackson says that,

"Track was fun!" The girls traveled all over Georgia with the boys' team, competing in many different areas of track and field. Coach Baber "whipped" the girls into great condition for running. The girls did their best last year; an exceptional feat since the team had just formed.

In 1999, the girls are really going to show up all their competitors. Let's hear it for "Girl Power!"

WHAT'S YOUR GOAL? GIRL'S SOCCER IS A BIG SUCCESS

The varsity girls soccer team had a good building year in 1998. Girl's soccer is a brand new concept in the Bibb County public schools. 1998 was the first year that girls had the opportunity to play on a team of their own. Coach Henderson's enthusiasm for the sport of soccer and desire to win really helped boost the girls.

It is important to remember that soccer is more than just running and kicking a ball around. It is a mental game as well. One must be "field smart" as well as skilled in order to be successful. Although

the girls did not win as many games as they would have liked to, they all had a lot of heart. The fact that all of the opposing teams (with the exception of Central) have had previous girl's seasons is definitely a factor. Hopefully, with a little more experience the team will reach their full potential. "We need to improve a lot from last year and there are some things we need to work on," said team member, Whitney Setzer.

Overall, the 1998 girl's soccer season was a victory. It gave the girls a chance to get in shape and have a wonderful time.

A STADIUM IN THE MAKING

As the walls were put up, it began to look like a really terrific stadium.

THE BUILDING OF SACRED GROUND

Westside's first year with a varsity football schedule will go down in history as the year we got our war ground.

Thanks to the efforts of Coach Davis and the Westside Booster Club, Westside's brand new football stadium opened on Friday, September 4, 1998, right on schedule. Westside is the first public school in Macon to have its own stadium. This great facility was not built overnight. A lot of people including parents, faculty, Booster Club members and of course Coach Robert Davis put a lot of work hours into the project.

Fundraising, publicity and the legal aspects for the sports complex were all handled by volunteers. Thanks to their efforts, the entire stadium went up during the summer of 1998. Westside is extremely fortunate to have such an exciting sports complex in the making. Thanks to those people who helped to make it happen!

VARSITY FOOTBALL

THE FIRST YEAR WITH A VARSITY SCHEDULE

The 1998 Varsity Football team debut was a glorious one. With seniors this year, the Seminoles were ready for action. Everyone was excited about the first game, particularly because we were playing in a brand new stadium. Faculty, students and friends all came out for what was a great event, as the Seminoles took on the Wildcats of Valdosta. The game appeared to be sold-out as anxious fans craved seeing the beginning of the game. Even though the Seminoles were beaten, they didn't let that discourage them because they knew

that they had a bright season ahead of them. Wide receiver Melvin Harris said that, "The season was fun and exciting and it was a wonderful experience for us all." Many other players felt the same, but for the seniors, it is something that they can carry with them forever. Dorian Freeman said, "It was fun, but the playoffs were scary." This was a natural feeling shared by every other player.

The 1999-2000 season promises to be spectacular. Go Westside Seminoles!

The flyers that Central circulated claiming that they were going to beat "Weakside" made us even more ready to win. The game was very close, which made our victory even more sweet. Our varsity football team did an awesome job all year, finishing with an impressive 9-3 record.

WHAT TIME IS IT?

VARSITY BASKETBALL 1998-1999

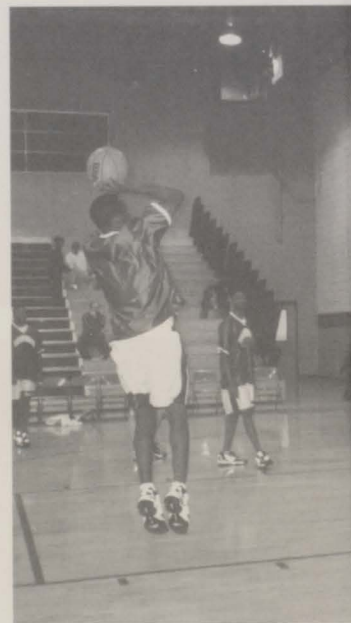

What time is it? It's time to play some basketball. The boys varsity basketball team has worked hard to have a winning season.

After the completion of a successful inaugural season last year, the boys varsity basketball team looks forward to another terrific season. The team went 12-8 last year. Coach Greene is extremely optimistic considering that all five starters will be returning.

The team practices for many long grueling hours in order to perfect their game. They practice every weekday at 4:00 p.m. On

Saturday, they practice at 2:00 or 3:00, and on Sundays they begin around 2:00. These talented athletes must use good time management in order to be both good students and great basketball players.

They finished with 20 wins and 3 losses. They are Bibb County's City Champions as well as the Region Champions. It is obvious that another year of experience has added a lot of skill and coordination to an already talented group of young men. We are all so proud of these athletic Seminoles.

RUNNING NOLES

Westside's Cross Country Team left its competition in the dust!

The 1988 Westside Cross Country Team had a great season. This was the first year that the team included girls, and boy, did they prove that they deserved it! The girls' team won the title of City Champs, beating out the other high schools in Macon. The whole team had practice every day after school. Practice included weight training and, you

guessed it, running. The team would run four or five miles a day in order to be conditioned for the three-point-two miles that would be run at meets. The cross-country trail was the most difficult practice trail in the city. No other school had to run over hills and rocks. Our team proved that they could do it, however, and ended up with a great season.

AND THEY'RE OFF

The cross-country meet held at Westside attracted many schools and competitors.

SOFTBALL FEVER

VARSITY SOFTBALL IN 1998

The 1998 varsity girls' softball team was very successful. There were a lot of girls who tried out. Those who were selected were extremely talented. Most of the girls have played sports previously, so getting into shape wasn't too difficult. The Noles' practice schedule was fun, but taken very seriously.

1997 was a building year for the Seminoles, and the experience made a big difference. Their opponents were fierce, but nothing that the Lady Noles couldn't handle. Coach Baber and Coach Womack did a good job leading the girls to a successful season. Coach Henderson also helped out this year.

It is important to remember how much time and dedication the members of the softball team contribute to their sport. Softball is not the same as it used to be. Westside has played fast-pitch softball for the last two years, as opposed to slow pitch like many high schools play. It took much practice and determination to be successful in this new league.

Fortunately, teams like the Westside Varsity Softball team are helping to influence other females to participate in sports. Softball is not only a lot of fun, but also a great way to get in shape.

NICE THROW

Summer Moore makes a good throw during her warmup.

WARMING UP

I'VE GOT IT!

GO LADY SEMINOLES!

Coach Baber peps up her team as the girls head out on the field.

The Life of a Lady Seminole

The 1998 Junior Varsity softball season turned out to be a promising year. The young, second-year team had many strong players to contribute to the success of the team. The girls practiced for hours after school: running, hitting and practice fielding. "It's a lot of hard work and you're always tired after practice. But it's fun and worth it." -Valerie Piper

The road to victory is paved with preparation. BE PREPARED. Life is not winning or losing, but how you play the game. PLAY WELL. Be true to yourself, your friends and your family.

We love you and are so very proud of you.
 Always strive for the prize.
 Love, Mom & Dad

Do you not know that those who run in a race all run, but one receives the prize? Run in such a way that you may obtain it. And everyone who competes for the prize is temperate in all things. Now they do it to obtain a perishable crown, but we for an imperishable crown. Therefore I run thus: not with uncertainty. Thus I fight: not as one who beats the air.

I Cor. 9:24-26

Brethren, I count not myself to have apprehended, but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before. I press toward the mark for the prize of the high calling of God in Christ Jesus.

As you begin this the next chapter of your life, remember to keep your heart looking upwards to the Lord.

Never forget that your uniqueness is made up from other peoples hearts too..

If you could look inside yourself, you would see little pieces of your Mama, Granny and Papa, Aunt Pam and your dearest friends. Just as a fine piece of pottery, you are a combination of many types of "clay".

What you will be when you "grow" up, is not a mystery to us ... you will always be our "Befy", Elizabeth- when you are in trouble, Roma -the other name you like and our Beth. What you will do is grow up, growing dearer and nearer to your family. A family that will always love you and be your greatest fans.

To Our Grandson,

We wish you the best on your graduation. Thank God you have accomplished one of your goals (to finish high school). May God bless you to succeed in all the other goals you may have set for yourself.

We will always be there to give you support. I know your MOM would be proud of you for the good work you have done. We have to give her thanks for making you the Great Son and Grandson you are.

Remember, God loves you! When you need Him, just call Him and He will hear you.

*We are proud of you and KEEP UP

Love always,

Grandma Ida and Grandpa Will

Ricke,

During the last two years, you have given us an experience we would have not experienced otherwise. It was challenging, but at the same time a joyous one. To watch you conquer such a huge milestone in your life, it is indeed a blessing from God. As your grandparents have stated your MOM would be proud and would have expressed it with that big beautiful smile she had.

Thank you for not letting her down, nor your grandparents, nor us, but especially not yourself. Life is a gift from God—Make the best of it. You can if you always remember to...

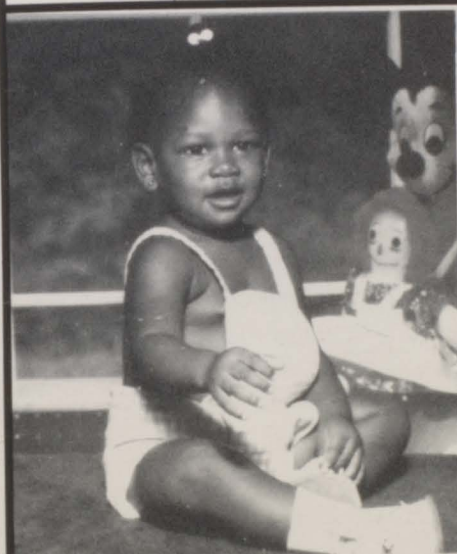

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths". (Proverbs 3:5-6)

*With much love,
Dex and Gloria*

Congratulations on your Graduation!!!!

 37:37

Dear Alissa:
 Here it is, time for you to graduate.
 The last four years have gone by so
 fast, and now it's time for you to look
 forward to the future. We hope it
 will be filled with love, happiness, success
 and peace. We hope all of your dreams will

Dance to the music of your dreams;

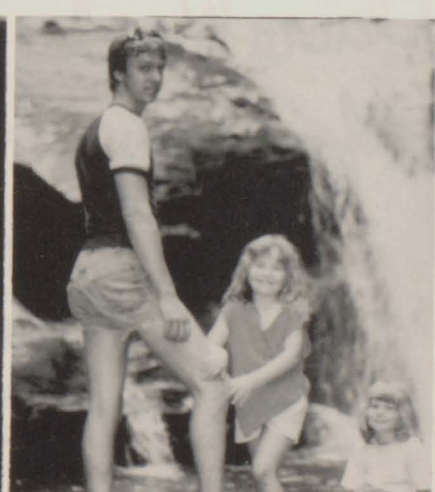

the steps will bring you joy.

Leah Whiting,
 Was it just yesterday that
 I rocked you to sleep or
 changed your diaper?
 Was it just yesterday that
 I unhooked your first fish
 or bragged that you were mine at
 your first dance recital?
 Was it just yesterday that I snapped
 that picture while
 you were hiking and squatted
 on the side of the trail?
 Yes, it was just yesterday that
 we got your first car
 (but it aged me an extra seventeen years!)
 As you receive your diploma and I brag about
 you being mine, a new series of just yesterday
 memories will start.
 I thank God for you and just yesterdays.
 Dad
